Acknowledgment

I understand that nail trimming may cause mild stress or, in rare cases, minor injury if my dog moves suddenly. Every effort will be made to trim the nails safely and humanely.

- If my dog becomes overly anxious or aggressive, the session may be stopped.
- Occasionally, a nail may be trimmed too short ("quicked"), which can cause minor bleeding.
- I will inform the handler of any medical or behavioral concerns before the trim.
- The handler is not responsible for injuries or reactions resulting from pre-existing conditions or sudden movement.

Liability Release

I agree to hold harmless and release [Your Business Name], its owners, and staff from any liability, claims, or damages that may result from this service, except in cases of proven negligence.

In the rare event of an injury requiring veterinary care, I authorize treatment at my expense and understand that every effort will be made to contact me first.
