Scheduling

Please list your available days and times to schedule the consultation. The consultation will be a meeting with your walker/trainer to go over the information you filled out on this form, it will also include any additional questions your walker/trainer might have. This will also be a great opportunity for you to meet with them, and for your walker/trainer to get to know your dog(s) prior to drop ins/training. Also, for drop-ins, if a key is being provided we ask to have that handed over at the consultation to not delay any scheduling with drop ins. Payment for the consultation must be completed at the time of scheduling. We look forward to working with you and your pet(s)!
